

Department of Homeland Security Resources that are available for faith-based groups and houses of worship:

- **Active Shooter Preparedness Website:** provides access to a number of department and interagency resources that support organizational development of emergency action plans, individual actions that can be taken during an incident, and recovery post an attack. <https://www.dhs.gov/cisa/active-shooter-preparedness>
- **Hometown Security Website:** provides a landing page for various resources made available via the CISA's Infrastructure Security Division and other organizations. www.dhs.gov/hometown-security
- **Security of Soft Targets and Crowded Places Resource Guide:** provides information regarding resources available via the CISA Infrastructure Security Division to support the critical infrastructure community in enhancing security at soft targets and crowded places. Currently being updated to reflect the new organizational name, but the resources will remain constant. <https://www.dhs.gov/publication/securing-soft-targets-and-crowded-spaces>
- **Protective Security Advisors Website:** provides information regarding the program, types of capabilities provided by these subject matter experts, and how to identify/reach the local protective security advisor. www.dhs.gov/protective-security-advisors
- **Homeland Security Information Network Information (HSIN) Portal:** provides information regarding the network and the types of information included. The tabletop-in-a-box resources are contained within HSIN. <https://www.dhs.gov/homeland-security-information-network-hsin>
- **Science and Technology Resources:** provides information for government, law enforcement, local communities, and stakeholders on terrorism prevention research and resources. <https://www.dhs.gov/science-and-technology/terrorism-prevention>
- **Resources to Protect Your House of Worship Website:** provides an overview of resources for faith-based organizations on available Federal tools, resources, and assistance. <https://www.fema.gov/faith-resources>
- **Study: Mass Attacks in Public Spaces -2017:** provides analysis of 28 incidents of mass attacks against public places within the United States that occurred during 2017. https://www.secretservice.gov/data/protection/ntac/USSS_NTAC-Mass_Attacks_in_Public_Spaces-2017.pdf
- **Presentation: FY 2017 Non-Profit Security Grant Program (Pre-recorded):** <https://icpd.adobeconnect.com/pfg0a8b8b1ni/>
